

## AGREEMENT FOR PREPARED FOOD VENDORS

Thank you for your interest in participating at one of the three MyMarkets in Toronto. The MyMarket brand (Bloor.Borden, East Lynn Park & Liberty Village) exists to showcase local farmers and their products.

As with most customer-focused farmers markets, our goal is to create a welcoming environment that celebrates local food while offering visitors the opportunity to not only purchase fresh local food, but have the option of enjoying some ready-to-eat food while at the market. We therefore encourage participation of local restaurants and prepared food vendors at the market, but only under the following conditions:

**CONDITIONS for approval as a Prepared Food Vendor are as follows and apply to all three MyMarket locations (Bloor.Borden, East Lynn Park and Liberty Village):**

### 1) Local INGREDIENTS:

In order to establish and maintain Prepared Food Vendor status at one or more MyMarket farmers markets, the restaurant or other prepared food vendor must be able to demonstrate that they source and purchase some or all of their key ingredients from one or more MyPick vendors. The following information is part of this process and there will be spot checks done throughout the season to ensure that guidelines are being honoured:

- a) Provide a complete list of ingredients/products purchased from the MyPick farmer.
- b) List of products using the ingredients sourced from the MyPick farmer.
- c) The name of the MyPick vendor(s) providing the ingredient products.
- d) Display a sign (provided) indicating that you as a prepared food vendor are ***Proudly supporting local farmers by using ingredients from MyPick vendors.***  
There will be space for you to list ingredients and names of MyPick vendors.

### 2) Vendor Participation with REGULAR ATTENDANCE

Prepared Food Vendors are required to commit to weekly attendance for a full season at the market.

### 3) Vendor Fees PAID PROMPTLY

Payment in full is required for the annual membership fee as well as the full season vendor fee PRIOR to the season starting.

As a potential MyMarket Prepared Food Vendor, you will be required to provide the above information and agree to the terms prior to receiving approval of vendor status at the MyMarket of your choice. As part of the process, Farmers' Markets Ontario will confirm your information with the identified MyPick producer(s) for verification.

Due to the high level of interest by restaurants to participate in MyMarkets, we need to ensure that preference is extended to those committed to supporting our local farmers. Failure to comply with any or all of these conditions during the market season may result in termination of your vendor agreement and participation at the market, and may also impact consideration of your application in future years.

A list of contact information for MyPick farmers selling at MyMarkets is included for your information and reference. We would be happy to make any suggestions or recommendations with regards to specific product needs you might have.

**Name of Business** applying for Prepared Food Vendor status: \_\_\_\_\_

**Address** of business: \_\_\_\_\_

I, \_\_\_\_\_ am authorized to make product procurement commitments to local food providers and I agree to the conditions of this Agreement as stated above.
